DEPARTMENT OF VETERANS AFFAIRS

38 CFR Parts 51, 52, and 58
RIN 2900–AO69

Technical Changes To Remove Forms
AGENCY: Department of Veterans Affairs.
ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is making technical changes to remove from its regulations a series of forms related to VA payments for care provided in State homes. Official forms are not required to be reproduced in the Code of Federal Regulations (CFR), and all VA forms are more readily available on VA Web sites. Removing these forms from the CFR is an administrative action and will not impact the ability of the public to comment on any amendments to the information collections contained in these forms.

DATES: Effective Date: This final rule is effective August 21, 2013.

FOR FURTHER INFORMATION CONTACT: Jo Anne Parker, Geriatrics and Extended Care Service (10NC4), Veterans Health Administration, 810 Vermont Avenue NW., Washington, DC 20420, (202) 461–1785. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: On January 6, 2000, VA added 38 CFR part 58 to the Code of Federal Regulations (CFR) for the express purpose of making it easier to find the forms required by 38 CFR part 51, Per Diem for Nursing Home Care of Veterans in State Homes. 65 FR 962, Jan. 6, 2000. Since that time, VA, State home program participants and administrators, and the general public have increasingly come to rely on VA’s Publications Web site (http://www.va.gov/vaforms) as the primary resource for VA forms. Most of the forms in part 58 are used by the State homes in order to comply with VA regulations in 38 CFR parts 51 and 52. All of these State homes have Internet access, and the forms are also available at all VA medical centers.

In addition, several forms currently found in part 58 have been superseded, and the current forms are readily available for printing, downloading, or online submission on the VA Publications Web site. Updated versions are available on the Web site immediately—whereas the CFR is updated only once per year. Removing the forms from the CFR will ensure that the CFR does not reference and depict outdated forms. We are, therefore,

removing 38 CFR part 58 and marking it as reserved for future use.

The cross-references to part 58 in parts 51 and 52 will become obsolete with this rulemaking, and we are, therefore, amending parts 51 and 52 to remove the cross-references to part 58.

Administrative Procedure Act

In accordance with 5 U.S.C. 553(b)(A), the Secretary of Veterans Affairs finds that notice and public comment is not required for this rulemaking as it relates to agency procedure or practice. The forms being removed from the regulation are more readily available on the VA Publications Web site (http://www.va.gov/vaforms). Additionally, the Secretary finds good cause pursuant to 5 U.S.C. 553(d)(3) to dispense with the delayed effective date requirement. The Secretary finds that a delayed effective date is unnecessary because this rulemaking involves agency procedure or practice and because the public will continue to have access to the most updated version of the forms on the VA Publications Web site.

Paperwork Reduction Act

Although this action contains provisions constituting collections of information, at 38 CFR part 51, part 52, and part 58, under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3521), no new or proposed revised collections of information are associated with this final rule. The information collection requirements for part 51, part 52, and part 58 are currently approved by the Office of Management and Budget (OMB) and have been assigned OMB control numbers 2900–0091 and 2900–0160.

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601–612. This final rule is small business neutral as it removes outdated and more readily available elsewhere. The forms will continue to be required for part 51, Per Diem for Nursing Home Care of Veterans in State Homes, and for part 52, Per Diem for Adult Day Health Care of Veterans in State Homes, but removing them from the CFR will ensure that small businesses access the required forms from a common location and thereby minimize the likelihood of relying upon an outdated form. Ensuring reporting is accomplished on the current forms will be cost-neutral or will save money by avoiding potential duplication of effort. On this basis, the Secretary certifies that the adoption of this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601–612. Therefore, under 5 U.S.C. 605(b), this rulemaking is exempt from the initial and final regulatory flexibility analysis requirements of sections 603 and 604.

Executive Orders 12866 and 13563

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. Executive Order 12866 (Regulatory Planning and Review) defines a “significant regulatory action,” requiring review by OMB unless OMB waives such review, as “any regulatory action that is likely to result in a rule that may: (1) Have an annual effect on the economy of $100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in this Executive Order.”

The economic, interagency, budgetary, legal, and policy implications of this regulatory action have been examined, and it has been determined not to be a significant regulatory action under Executive Order 12866. VA’s impact analysis can be found as a supporting document at http://www.regulations.gov, usually within 48 hours after the rulemaking document is published. Additionally, a copy of the rulemaking and its impact analysis are available on VA’s Web site at http://www1.va.gov/orpm/, by following the link for “VA Regulations Published.”

Unfunded Mandates

The Unfunded Mandates Reform Act of 1995 requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of $100 million or more (adjusted annually for inflation) in any one year. This final rule will have no such effect on State, local, and tribal governments, or on the private sector.

Catalog of Federal Domestic Assistance

The Catalog of Federal Domestic Assistance numbers and titles for the programs affected by this final rule are 64.014, Veterans State Domiciliary Care, and 64.015, Veterans State Nursing Home Care.

Signing Authority

The Secretary of Veterans Affairs, or designee, approved this document and authorized the undersigned to sign and submit the document to the Office of the Federal Register for publication electronically as an official document of the Department of Veterans Affairs, Jose D. Riojas, Chief of Staff, Department of Veterans Affairs, approved this document on July 29, 2013, for publication.

Fisheries of the Exclusive Economic Zone Off Alaska; Thornyhead Rockfish in the Western Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting retention of thornyhead rockfish in the Western Regulatory Area of the Gulf of Alaska (GOA). This action is necessary because the 2013 total allowable catch of thornyhead rockfish in the Western Regulatory Area of the GOA has been reached.

DATES: Effective 1200 hours, Alaska local time (A.l.t.), August 17, 2013, through 2400 hours, A.l.t., December 31, 2013.

FOR FURTHER INFORMATION CONTACT: Josh Keaton, 907–586–7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2013 total allowable catch (TAC) of thornyhead rockfish in the Western Regulatory Area of the GOA is 150 metric tons as established by the final 2013 and 2014 harvest specifications for groundfish of the GOA (78 FR 13162, February 26, 2013).

In accordance with §679.20(d)(2), the Administrator, Alaska Region, NMFS (Regional Administrator), has determined that the 2013 TAC of thornyhead rockfish in the Western Regulatory Area of the GOA has been reached. Therefore, NMFS is requiring that thornyhead rockfish caught in the Western Regulatory Area of the GOA be treated as prohibited species in accordance with §679.21(b).
