National Standards of Practice Listening Session #4

- This session will be recorded, and closed captioning is available.
- If you experience any technical difficulties at any time during this session, you may notify our technical team using the Q&A function located at the bottom right-hand corner of the webinar platform.

- Speaking time will be allocated based on the number of people who requested to comment.
- During this session, all attendees will be placed on mute. If you indicated upon registration your intent to present, a VA representative will turn the mic over to you during your allotted time to provide comment. If you dialed in using your phone, when your name is called press *3 then *6 to raise your hand to be unmuted.

- If you did not indicate upon registration your intent to present but would like to during this session, please share your interest using the Q&A function.

- Any participants unable to speak during today's session may submit written comments after the session to VA.NSP@va.gov. Participants have until October 5, 2023, to submit comments.
- Please be respectful during your period of comment and while others are speaking.

VA's National Standards of Practice: Listening Session #4

VA is seeking research, input, and comments on variance between State licenses for specific health care occupations, including recommendations on what should be included in VA's national standard of practice for the occupation.

Occupation Currently Open for Discussion

1. Physician

2. Physician Assistant

3. Emergency Medical Technician / Paramedic

Session Etiquette

- Please be respectful during your period of comment and while others share research, input, and comments.
- Microphones will be muted until each individual's allotted time. Time has been allocated based on the number of people who registered to present. Each individual has **10** minutes. If you dialed in using your phone, when your name is called press *3 to raise your hand and *6 to be unmuted.
- If you are interested in presenting but did not register to do so, please use the Q&A feature at the bottom right corner to indicate your interest.
 - As time permits, additional individuals may have the opportunity to present at the end of the session.
 - Individuals may submit written comments after the session to VA.NSP@va.gov. Participants have until September 30, 2023, to submit comments.

The Listening Session Has Ended

The Listening Session has concluded but will remain open until 4:30 p.m. EDT.

Any individual joining late can raise their hand on the webinar platform or use the Q&A located in the bottom right corner of the screen to indicate their intention to present.

All suggestions made through these listening sessions will be used to improve and inform the content included in VA's proposed national standards of practice.

Any participants unable to speak during today's session may submit written comments after the session to VA.NSP@va.gov. Participants have until October 5, 2023, to submit comments.

All proposed national standards of practice will be posted on the Federal Register for a 60-day public comment period prior to them being finalized.

For more information on VA's national standards of practice, visit the VA National Standards of Practice website and sign up for our newsletter at:

<https://www.va.gov/standardsofpractice/>

Thank you for your support in enabling VA health care professionals to provide the best care to our Nation's Veterans.

A recording and transcript of this Listening Session will be available on the VA National Standards of Practice website upon conclusion of all scheduled listening sessions.
