Federal Recovery Consultant Office

Connecting Systems, Supporting Reintegration

MISSION

To support Veterans, Service members, their families, caregivers, and survivors by providing consultation services that assist stakeholders with navigation, advocacy, and support.

VISION

Empower stakeholders through seamless collaboration, meaningful engagement, and shared learning.

CONSULTATION SERVICES

- Veteran-centric consultation to VA and Department of War (DoW) care coordination teams
- Guidance, advocacy, and problem-solving for clinical and non-clinical teams
- Strengthens teams through targeted stakeholder education and engagement initiatives
