Weekly update on Virtual Lifetime Electronic Record (VLER)

On February 26, 2013, the Deputy Secretary (DEPSEC) of the Department of Veterans Affairs (VA) approved VLER's prioritization of efforts to automate the collection of the VA Schedule for Rating Disabilities (VASRD) information required to support disability claim processing (VCA-2). These efforts were identified and prioritized prior to DEPSEC approval in collaboration with stakeholders from the Veterans Benefits Administration (VBA), Veterans Health Administration (VHA), Veterans Benefits Management Systems (VBMS), Office of Information and Technology Product Development (OIT PD), Board of Veterans' Appeals (BVA), and Office of General Counsel (OGC). The efforts are:

1. Compensation and Pension (C&P) Exam information from VHA-conducted exams
2. C&P Exam information from VBA and VHA contracted Clinicians
3. C&P Exam information from private third-party clinicians
4. C&P Exam information from private third-party systems
