

On behalf of Mr. Joe Paiva, Executive Director, VLER, the following information is provided as input to the weekly Cabinet Report:

11-15 June 2012

Virtual Lifetime Electronic Record

The Virtual Lifetime Electronic Record Information Technology Program Management Office (VLER IT PMO) will host an Integrated Project Team (IPT) for the Memorial Affairs VLER IT Program on June 12-13, 2012. This IPT will cover all National Cemetery Administration (NCA) projects within the VLER portfolio. The purpose of this IPT is to bring all stakeholders together to obtain a clear understanding and status of the NCA Memorials Program in support of the VLER initiative, and to discuss newly created Working IPTs and next steps. Overall, the goal of this IPT is to confirm the development process is in line with business expectations to ensure Veterans and their eligible family members receive continually improved memorial benefits.
