

EXECUTIVE SUMMARY

(VAIQ# 7205420)
(22 February 2012/ 2:00pm)

SUBJECT: Department of Veteran Affairs (VA) / Department of Housing and Urban Development (HUD) Information Sharing Project

In December 2011, the Eliminating Veteran Homelessness Major Initiative (MI) and Virtual Lifetime Electronic Record (VLER) Enterprise Program Management Office (EPMO) collaborated to eliminate administrative obstacles that prevented the exchange of data between HUD and VA. VLER facilitated an agreement among HUD and VA representatives for a way forward for exchanging HUD-Veteran Affairs Supportive Housing (VASH) accounting related data. The team also expanded the vision to include additional data and HUD's Homeless Management Information Systems (HMIS) to support the proactive delivery of a full continuum of services. This important initiative will ultimately enable VA, HUD, and other partners to proactively provide the full spectrum of services to transition homeless Veterans.

ACTION REQUIRED: Informational.
