

EXECUTIVE SUMMARY

VA IQ#7277342
(10/02/2012)

Virtual Lifetime Electronic Record (VLER) Overarching Integrated Project Team (OIPT) Charter: VLER OIPT charter between the Department of Defense (DoD) and the Department of Veterans Affairs (VA) establishes VLER OIPT as the senior-level governance forum responsible for material solution oversight for VLER Capability Areas (VCA) 2, 3, and 4. The charter establishes and clarifies roles, responsibilities, and coordination procedures between the VLER OIPT and the Benefits Executive Council (BEC) Information Sharing/Information Technology (IS/IT) Workgroup. The charter promotes the positive momentum and early successes of the VLER OIPT by formally solidifying its role in the effective governance and oversight of programs and initiatives within the VCAs.
