CONGRATULATIONS

HOLLY VEZINA- CHAI Award Winner

Holly Vezina, RN, Infection Prevention, Fresno, CA

In the first 85 days she had several 120+ hour pay periods...helping people understand the spread of COVID, reviewing CDC, DUSHOM and 5 county recommendations for screening to provide guidance to our ICT. She has compassion for every person she works with. I have heard her answer the same question over and over for the same person without losing her patience and she still reminds me that we need to be thankful staff calls us to ask questions so things get done right.
