BAYLOR UNIVERSITY COLLEGE OF MEDICINE

upon recommendation of the

Dean's Committee

presents to

DR. LEE D. CADY

this

AWARD OF MERIT

for

ADMINISTRATIVE SKILL in the management of the Veterans Administration Hospital, Houston, Texas, from the commencement of its operation in 1949 until now, during which time it has achieved, under his able direction, national recognition as one of the truly great hospitals of this country;

EDUCATIONAL LEADERSHIP in making available the facilities of this hospital for the education of hundreds of persons in virtually every branch of medicine, surgery, dentistry, and the allied fields of health education;

DEVOTION TO THE WELFARE not only of those citizens who have defended their country in time of war for whom he has had special concern, but also of the community at large of which he has become a distinguished and respected member; and

SIGNIFICANT CONTRIBUTION to the development of the Texas Medical Center through his dedication to academic medicine and dentistry manifested by staunch support of the Dean's Committee and of its recommendations for the development of sound programs of medical education and research.
