

DONATIONS

Be a part of the Fisher House mission! The Ralph H. Johnson VA Medical Center Fisher House operates on donated funds and relies on support from individuals and groups to provide for the ongoing, daily needs of the Fisher House, enhance the stay of Fisher House guests and expand our programs.

Without donations from the community, the Fisher House would not be a success. Our Veterans' families appreciate all donations.

We do not accept "cash" contributions. Checks should be payable to the Ralph H. Johnson VA Medical Center Fisher House with the memo section of the check indicating: Fisher House. You may also make an electronic donation (E-donate) at www.charleston.va.gov/giving.

To find out how you can support our military and Veterans' families at the Ralph H. Johnson VA Medical Center Fisher House as a volunteer or with a donation, please contact the Fisher House at (843) 805-8200.

THE FISHER HOUSE PROGRAM

The Fisher House Program is a unique private-public partnership between the Fisher House Foundation, the Department of Veterans Affairs and the Department of Defense that supports America's military members in their time of greatest need. The Fisher House Foundation builds, furnishes and donates these "comfort homes" located on major military installations and near VA medical centers. The local community raises a portion of the construction costs, and the Fisher House Foundation contributes the rest.

Zachary and Elizabeth Fisher first recognized the need to provide "homes away from home" for families of hospitalized military men and women in 1990. The first two Fisher Houses opened in 1991. Their mission continues today with the opening of each new Fisher House.
