

Being Exceptional Everyday

A DAISY can't survive without a BEE, and a BEE can't survive without a DAISY!

The BEE Award Nomination Form

What is the BEE Award?

Just as the daisy cannot bloom without the support of the bee, Nurses cannot do their best work without the outstanding teamwork provided by other healthcare professionals. The BEE (Be Exceptional Every Day) Award recognizes exceptional caregivers in non-licensed nursing roles. The Miami VA Health Care System implemented this recognition program for Nursing Allied Health Professionals (NAs & Techs). If you had an outstanding Veteran experience, allow us to honor the Caregiver who provided your quality compassionate care and service.

SHARE YOUR STORY - The BEE Award honorees personify **Miami VA Medical Center's** remarkable Veteran experience. These nurses & caregivers consistently demonstrate excellence through clinical expertise and extraordinary *compassionate* care. They are recognized as outstanding role models in our nursing community.

Miami VA Team Member (Name)	Department
------------------------------------	-------------------

Please describe a specific situation or story that demonstrates how this employee made a meaningful difference using at least one of the I CARE principles - Integrity, Commitment, Advocacy, Respect, and Excellence!

Thank you for taking the time to nominate an extraordinary employee.

How to Nominate

Patients, family members, other nurses, physicians, and all other employees may nominate a deserving nurse in one of the following ways:

Thank you for taking the time to nominate an extraordinary employee.

Your Name	Date of Service
Phone	Email

Please contact me if the nominee is chosen as a BEE Award Honoree so that I may attend the celebration if available.

I am a (Please select one): Patient Visitor Physician VA Employee Other

Thank you for helping the Miami VA recognize an extraordinary employee as we all strive on our journey to become a High Reliability Organization (HRO), collectively committing to transform VA culture to ensure we focus on patient safety and look for ways we can improve our processes.
