Adults 18 and older now eligible for COVID-19 Booster Shots

FAYETTEVILLE, NC---CDC recommendations for booster shots to include all adults ages 18 years and older who received a Pfizer-BioNTech or Moderna vaccine at least six months after their second dose or two months after receiving the one-dose Jansen/Johnson & Johnson vaccine.

Fayetteville NC VA Coastal Health Care System medical facilities offers COVID booster vaccines for eligible Veterans (spouses, caregivers). Appointments and walk-in availability will vary by facility. **Veterans should call the COVID Vaccine Info-Appointment Line at 910-475-6622 to schedule an appointment. Veterans are asked to bring COVID vaccine card.**

Veterans and eligible caregivers, spouses are encouraged to get boosted before the holidays.

The following medical facilities offer by appointment Moderna booster vaccines:

- Fayetteville VA Medical Center—2300 Ramsey St
- Goldsboro VA Community Based Outpatient Clinic
- Hamlet VA Community Based Outpatient Clinic
- Jacksonville VA Community Based Outpatient Clinic--2580 Henderson Drive location only
- Robeson VA Community Based Outpatient Clinic
- Sanford VA Community Based Outpatient Clinic
- Wilmington VA Health Care Center
- Veterans enrolled at the Brunswick VA Community Based Outpatient Clinic can receive booster vaccines at Wilmington VA Health Care Center

The following medical facility offers walk-in Pfizer booster vaccines:

- Fayetteville VA Health Care Center—7300 S. Raeford Rd., 8:30 a.m. to 2 p.m. in Room 1728

Veterans are asked to bring COVID vaccine card.

-end-
