

Statements regarding the awardee:

- The awardee is Walsh-Turner Joint Venture II, and is headquartered in Chicago, IL
- The joint venture consists of two large business contractors: Walsh Construction Company II (Chicago, IL) and Turner Construction Company (Columbus, OH)
- Both members of the joint venture have extensive experience on medical facility projects working with the Corps of Engineers and the VA
- As part of the contract, the awardee has submitted a plan that identifies subcontracting opportunities on the project with a goal of approximately \$95,000,000 to be subcontracted to small businesses, including Veteran-Owned and Service-Disabled Veteran Owned firms. Additionally, "Walsh-Turner JV II has focused efforts on maximizing small business participation while ensuring a significant amount of that business is awarded to local Louisville and regional firms."
