Face Mask Policy

While on VA Property all families must abide by their current policy and wear a mask. All BCCI staff will always wear a mask and social distance from each other when possible.

Currently children are required to wear masks when possible. This is mandated by our local licensing authority and the NYC Department of Education. This can change at any time.

Face covering breaks

○ Face coverings should be removed during meals, nap and rest time.

○ Children who request to remove their face coverings or staff identify that the child needs a mask break, must be permitted to for a short period of time. These “mask breaks” can also be offered through the day, at a school’s discretion. The frequency of mask breaks may vary.

■ Mask breaks should not last more than five minutes.

■ Mask breaks can only occur when: ● Children are outdoors or in well-ventilated areas. ● Children can remain at least six feet apart.

I understand that my child must wear a mask while in school under these circumstances.
