BEE Exceptional Everyday

Want to Thank a Caregiver?

Share *Your* Experience!

The BEE Award was created to recognize exceptional caregivers in non-licensed nursing roles. Based on the success of the DAISY Award program and its positive impact on the nursing profession, the Tomah VA Medical Center implemented a recognition program for Nursing Assistants, Health Technicians and Social Services Assistants. If you had an outstanding Veteran experience, allow us to honor the Caregiver who provided your quality compassionate care and service.
