

## The Veterans Health Administration

Veterans' Health Administration is America's largest integrated health care system and the largest employer of nurses in the United States. The VA provides clinical rotations to one of every four professional nurses in the United States through our academic affiliations.

### Program Goals

- ✚ Enhance interprofessional collaborations and educational opportunities for the nursing student.
- ✚ Foster mentoring relationships with exposure to a wide variety of acute care settings.
- ✚ Provide safe, quality, collaborative, and evidence-based care in a supportive environment.
