

## Interested in a Paid Nursing Residency Program at the VA?

Have you considered the VA Healthcare System and all its opportunities and benefits? The White River Junction Veterans Affairs Medical Center (VAMC) in Vermont has a Post-Baccalaureate Nursing Residency (PBRNR) program! The VA PBRNR Program is one-year of comprehensive, preceptor-guided training in a supportive environment that facilitates growth in both knowledge and skills, to take you from novice to experienced RN. The participants will receive benefits that include competitive wages, paid holidays, vacation days, sick leave, and insurance.

Participants must meet the following eligibility requirements:

- Graduate from a BSN program (CCNE or ACEN accredited) within the past 12 months
- Minimum grade point average: 3.00
- Possess a current, full, active and unrestricted RN license or NCLEX scheduled before June 30, 2022
- Must pass pre-employment medical exam and drug testing
- Be a citizen of the United States
- Be serving in his or her first RN role
- Must be able to complete 366 days of training starting August 2022

Applications will be accepted until March 25, 2022, and early application is encouraged. There is no employment commitment attached to this program. We do hope you will choose to continue your career with the VA, but you are not obligated to do so.
