VA Illiana hosts veteran town hall events

Danville, IL — The VA Illiana Health Care System will hold virtual town hall events for veterans throughout 2022. The first two veteran town hall events of the year will be on Tuesday, February 15 at 6 p.m. and on Wednesday, February 16 at 2 p.m.

The Tuesday evening town hall will be focused on patients of the Springfield outpatient clinic and the Wednesday afternoon town hall will be focused on the patients of the Danville facility. These two town hall events will be virtual events hosted on the VA Illiana Facebook page at the scheduled times. Veterans, their family members, and anyone else interested in veteran health care can be part of these events by going to www.facebook.com/VADanville.

Veterans are invited to submit questions about services and programs at VA Illiana before the town halls by email to VAIllianainfo@va.gov. Questions will be addressed at the next veteran town hall.

Future town hall events will occur every three months with some focusing on programs and services at the main campus in Danville and others focusing on programs and services at each of the community-based outpatient clinics in Bloomington, Decatur, Mattoon, Peoria, and Springfield. General information about VA health care services will be provided at each event along with information about a specific VA Illiana facility.
