

VA Boston Healthcare System Excellence in Education Award

August 7, 2018 | David R. Topor, Ph.D., MS-HPed

Congratulations to Dr. John Renner on receiving the 2017 VA Boston Healthcare System Excellence in Education Award!

Dr. Renner is a national leader in psychiatry education and has developed educational curricula that have been used to train generations of psychiatrists and other healthcare professionals.

He also has developed numerous innovative clinical treatments and has served in many local, regional, and national leadership positions. As one of his nominators wrote: "John Renner is one of the world's finest teachers, educators, trainers, and clinicians that I have ever known."

Congratulations Dr. Renner on this well-earned and well-deserved Award!!

Please consider nominating a VA Boston educator for the 2018 VA Boston Healthcare System Excellence in Education Award. Award information is available at:
