PROOF OF VACCINATION

The VA is now requiring all students to submit proof of vaccination to the LEAF Portal. The portal takes about 2 minutes to complete and can only be completed through the VA system, which will require students to be on the VA campus to complete. Proof of vaccination must be submitted by the ***FIRST DAY*** of clinical.

To complete the portal, students will need:
- A picture of your COVID-19 Vaccination card to upload to the portal
- List Kyra Pappas as the supervisor

You will not be allowed to return to your clinicals if this is not complete. Please reach out to Kyra Pappas with any questions.
