

VA Boston Healthcare System Excellence in Education Award

August 19, 2020 | David R. Topor, Ph.D., MS-HPed

Congratulations to Dr. Laura Grande on receiving the VA Boston Healthcare System Excellence in Education Award!

Dr. Grande is a leader in developing and implementing novel training experiences in neuropsychology. She has served as a mentor and supervisor to trainees since she began at VA Boston in 2005.

One of her nominators wrote: "Dr. Grande knows how to strike a perfect balance of challenging the students while making the learning fun." Another wrote: "Her work and accomplishments have garnered the admiration of her immediate colleagues in neuropsychology but more critically among a large range of disciplines within the hospital."

Congratulations Dr. Grande on this well-earned and well-deserved Award!!
