FOR IMMEDIATE RELEASE

June 23, 2022

VA Secures Current Cody VA Clinic Location, Brief Closure Scheduled

CODY, Wyoming (June 23, 2022) — The Cody VA Clinic team is excited to announce that they will continue to serve Veterans at the current location (at 1432 Rumsey Avenue) for at least the next five years. A new contract for the site goes into place July 1 and VA staff will continue to provide care to area Veterans there. With this contract change, the clinic will need to be temporarily closed for face-to-face care from July 1 through July 12, restarting in-person care July 13, while VA staff move in furniture and equipment. Veterans will still be able to contact the Cody VA Clinic team by calling 307-587-4015 and selecting option 2, to arrange a telehealth visit, schedule an appointment, or talk to a nurse from 8 a.m. to 4:30 p.m.

The Cody VA Clinic transitioned from being operated by contracted staff, to full-time VA staff earlier this spring, allowing for an expansion of services. The clinic already offers home-based primary care, which is care provided to Veterans in their home for ongoing diseases and illnesses that affect their health and daily activities. The future clinic expansion also includes tele-audiology services and adding staff in Cody to include another full-time medical provider, plus mental health provider and social worker. The team will also be adding battlefield acupuncture—a type of acupuncture with small needles inserted on the outside of the ear.

###

The Sheridan VA Health Care System serves Veterans across three quarters of Wyoming and the Rocky Mountain Region. Besides a medical center in Sheridan, the system has eight Outpatient Clinics located in Casper, Riverton, Cody, Gillette, Rock Springs, Worland, Evanston, and Afton, Wyoming.
