<b>Internship Program Admissions</b>	
Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:	
<p><b>Applicants must meet the following prerequisites to be considered for our program:</b></p> <ol style="list-style-type: none"> <li>1. Completed at least three years of graduate course work in an APA-, CPA-, or PCSAS-accredited clinical or counseling psychology training program in good standing. Applicants from programs on probation will not be considered.</li> <li>2. Approval for internship status by your graduate program training director.</li> <li>3. Successfully defended the dissertation proposal.</li> <li>4. Health Professions Trainees (HPTs) are appointed as temporary employees of the Department of Veterans Affairs. As such, HPTs are subject to laws, policies, and guidelines posted for VA staff members. There are infrequent times in which this guidance can change during a training year which may create new requirements or responsibilities for HPTs. If employment requirements change during the course of a training year, HPTs will be notified of the change and impact as soon as possible and options provided. The VA Training Director for your profession will provide you with the information you need to understand the requirement and reasons for the requirement in timely manner.</li> </ol>	
<b>Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:</b>	
Total Direct Contact Intervention Hours	250
Total Direct Contact Assessment Hours	150

<p><b>Describe any other required minimum criteria used to screen applicants:</b></p> <ol style="list-style-type: none"> <li>1. Be a citizen of the United States. The Department of Veterans Affairs is unable to consider applications from anyone who is not currently a U.S. Citizen. Verification of citizenship is required following selection. All interns must complete a Certification of Citizenship in the United States prior to the beginning of VA training.</li> <li>2. Federal law requires that most males living in the US between the ages of 18 and 26 register with the Selective Service System. Male, for this purpose, is any individual assigned male on their birth certificate regardless of current gender. Males required to register, but who failed to do so by their 26th birthday, are barred from any position in any Executive Agency. Visit <a href="https://www.sss.gov">https://www.sss.gov</a> to register, print proof of registration or apply for a Status Information Letter.</li> <li>3. Interns are subject to fingerprinting and background checks following match selection. Match results and selection decisions are contingent on passing these screens.</li> <li>4. The Department of Veterans Affairs is a drug-free workplace in accordance with federal mandates and laws. All VA employees, including trainees, are subject to randomized drug screening. Ongoing participation in the internship is contingent on passing these screens. For additional information, please refer to the VA's Office of Academic Affiliation (OAA) at <a href="#">VA Drug-Free Workplace Program Guide for Veterans Health Administration Health Professions Trainees</a>.</li> <li>5. Please review the VA's Office of Academic Affiliations "<a href="#">Am I Eligible? Checklist for VA HPTs</a>" for a list of additional eligibility requirements.</li> </ol>
