3. License to Carry
4. Hunting/Fishing permits

The following rules apply to all presented identity source documents:

- All documents must be in their original forms - no photocopies other than a certified copy of birth certificate bearing an official seal.
- Expired or canceled identity documents are not acceptable.
- All Primary forms of ID contain an expiration date; however, some Secondary forms of ID do not. Not having an expiration date does not make a Secondary ID Source unacceptable. Secondary forms of ID without an expiration date can be accepted.
- Updating or replacing identity source documents is not required after successfully completing the identity proofing process.
- If any of the identity source documents presented for identity proofing bear different names, then evidence of a formal name change must be provided linking the names. For example, a married woman with a current driver's license and birth certificate can provide a marriage license.
