## Manchester VA Medical Center Main Building Partially Closed Due to Water Damage

*Urgent Care, Primary Care and Others Remain Fully Operational*

**MANCHESTER, N.H.** — Manchester VA Medical Center's main building is partially closed until further notice due to a pipe leak and resultant flood. Currently, we are assessing the damage. We are in the process of calling Veterans who are affected to reschedule necessary appointments.

Areas not affected and running according to schedule are:

- Urgent Care
- Primary Care
- Mental Health,
- Pharmacy,
- Radiology,
- Rehabilitation,
- Spinal Cord Injury (SCI)
- Traumatic Brain Injury (TBI),
- Women's Clinic,
- 6th floor Surgical Clinic
- Community Living Center.

Floors 2, 3 and 4 will be closed to Veteran care due to water damage assessment and needed repairs for several days.

If a Veteran has any questions about their appointment, they should contact our call center at (603) 624-4366 x-3199.
