

Project Warm

Project Warm provides Veterans facing housing insecurity with items to stay warm during the winter months in Northeastern Pennsylvania. Our goal is to ensure Veterans have resources such as hand warmers, scarves, hats, gloves, jackets, blankets, flashlights, batteries, travel mugs, packets of hot chocolate/tea, and other winter necessities. All items received will directly benefit Veterans receiving care at the Wilkes-Barre VA Medical Center or one of our Community Based Outpatient Clinics.

Veteran Service Organizations, Community Partners, and individuals can donate to **Project Warm** by contacting the Center for Development and Civic Engagement at (570) 821-7237 or email VHAWBPCDCE@va.gov.
