

U.S. Department of Veterans Affairs

Veterans Health Administration Erie VA Medical Center

Honoring our Veterans through

Hall of Heroes

Erie VA's Hall of Heroes proudly displays the memories of Erie VA's hometown and regional heroes. These memories of Veterans line the halls of the first floor serving as a constant reminder of Erie VA's mission: to serve those who served. Veterans and their families are welcome to donate photos of loved ones to the Hall of Heroes. VA is committed to ensuring, promoting, and including diverse images in the Hall of Heroes. Erie VA highly encourages all Veterans – women, people of color, and LGBTQIA+ to contribute to the project. To maintain respect and continuity for the project, the Erie VA only accepts individual portraits of Veterans in uniform, ready, and able to be scanned. Original images are not accepted. Items such as medals, stories, uniforms, and other memorabilia are valuable; however, do not fit with the continuity of the project.

Donations

to the Hall of Heroes

To donate to the Hall of Heroes, please contact Erie VAMC Voluntary Services and schedule a meeting and review project requirements, pertinent information, and provide consent. Donors are required to sign a consent form and provide information about the photographed Veteran:

- Name
- Rank
- Branch
- Retired
- Dates of service
- Hometown
- Medals
- Awards

Donated items are not displayed immediately. All submissions are collected, appropriately grouped, and sent to a vendor for professional matting and framing to maintain the continuity of the displays. Erie VA Medical Center reserves the right to modify the scope, circulation, and location of submissions.

For more information about Hall of Heroes, contact Erie VAMC Voluntary Services at 814-860-2024.
