Privacy Act Statement

The Office of Personnel Management is authorized to request this information under sections 1302, 3301, 3304, 3328, and 8716 of title 5, U. S. Code. Section 1104 of title 5 allows the Office of Personnel Management to delegate personnel management functions to other Federal agencies. If necessary, and usually in conjunction with another form or forms, this form may be used in conducting an investigation to determine your suitability or your ability to hold a security clearance, and it may be disclosed to authorized officials making similar, subsequent determinations.

Your Social Security Number (SSN) is needed to keep our records accurate, because other people may have the same name and birth date. Public Law 104-134 (April 26, 1996) asks Federal agencies to use this number to help identify individuals in agency records. Giving us your SSN or any other information is voluntary. However, if you do not give us your SSN or any other information requested, we cannot process your application. Incomplete addresses and ZIP Codes may also slow processing.

ROUTINE USES: Any disclosure of this record or information in this record is in accordance with routine uses found in System Notice OPM/GOVT-1, General Personnel Records. This system allows disclosure of information to: training facilities; organizations deciding claims for retirement, insurance, unemployment, or health benefits; officials in litigation or administrative proceedings where the Government is a party; law enforcement agencies concerning a violation of law or regulation; Federal agencies for statistical reports and studies; officials of labor organizations recognized by law in connection with representation of employees; Federal agencies or other sources requesting information for Federal agencies in connection with hiring or retaining, security clearance, security or suitability investigations, classifying jobs, contracting, or issuing licenses, grants, or other benefits; public and private organizations, including news media, which grant or publicize employee recognitions and awards; the Merit Systems Protection Board, the Office of Special Counsel, the Equal Employment Opportunity Commission, the Federal Labor Relations Authority, the National Archives and Records Administration, and Congressional offices in connection with their official functions; prospective non-Federal employers concerning tenure of employment, civil service status, length of service, and the date and nature of action for separation as shown on the SF 50 (or authorized exception) of a specifically identified individual; requesting organizations or individuals concerning the home address and other relevant information on those who might have contracted an illness or been exposed to a health hazard; authorized Federal and non-Federal agencies for use in computer matching; spouses or dependent children asking whether the employee has changed from a self-and-family to a self-only health benefits enrollment; individuals working on a contract, service, grant, cooperative agreement, or job for the Federal government; non-agency members of an agency's performance or other panel; and agency-appointed representatives of employees concerning information issued to the employees about fitness-for-duty or agency-filed disability retirement procedures.

Public Burden Statement =

Public burden reporting for this collection of information is estimated to vary from 5 to 30 minutes with an average of 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to the U.S. Office of Personnel Management, Reports and Forms Manager (3206-0182), Washington, DC 20415-7900. The OMB number, 3206-0182, is valid. OPM may not collect this information, and you are not required to respond, unless this number is displayed.

Public reporting burden for this collection of information is estimated to average 30 minutes, including the time for reviewing instructions, searching existing data sources, gathering data, completing, and reviewing the information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to VA Clearance Officer (005R1B), 810 Vermont Avenue NW, Washington, DC 20420. Do not send applications to this address.

AUTHORITY: The information requested on this form and Authorization for Release of Information is solicited under Title 38, United States Code, Chapters 73 and 74.

PURPOSES AND USES: The information requested on the application is collected to determine your qualifications and suitability for appointment to a VA clinical training program. If you are appointed by VA, the information will be used to make pay and benefit determinations and in personnel administration processes carried out in accordance with established regulations and systems of records.

ROUTINE USES: Information on the form may be released without your prior consent outside the VA to another federal, state or local agency. It may be used to check the National Practitioner Health Integrity and Protection Data Bank (HIPDB) or the List of Excluded Individuals and Entities (LEIE) maintained by Health and Human Services (HHS), Office of Inspector General (OIG), or to verify information with state licensing boards and other professional organizations or agencies to assist VA in determining your suitability for a clinical training appointment. This information may also be used periodically to verify, evaluate, and update your clinical privileges, credentials, and licensure status, to report apparent violations of law, to provide statistical data, or to provide information to a Congressional office in response to an inquiry made at your request. Such information may be released without your prior consent to federal agencies, state licensing boards, or similar boards or entities, in connection with the VA's reporting of information concerning your separation or resignation as a professional staff member under circumstances which raise serious concerns about your professional competence. Information concerning payments related to malpractice claims and adverse actions which affect clinical privileges also may be released to state licensing boards and the National Practitioner Data Bank. Information will be stored in a confidential and secure VA database for purposes of processing your application and may be verified through a computer matching program. Information from this form may also be used to survey you regarding employment opportunities in VA and to solicit you perceptions about your clinical training experiences at VA and non-VA facilities.

EFFECTS OF NON-DISCLOSURE: See statement below concerning disclosure of your social security number. Completion of this form is mandatory for consideration of your application for a clinical training position in VA; failure to provide this information may make impossible the proper application of Civil Service rules and regulations and VA personnel policies and may prevent you from obtaining employment, employee benefits, or other entitlements.

INFORMATION REGARDING DISCLOSURE OF YOUR SOCIAL SECURITY NUMBER UNDER PUBLIC LAW 93-579 SECTION 7(b)

Disclosure of your Social Security Number (SSN) is mandatory to obtain the employment and benefits that you are seeking. Solicitation of the SSN is authorized under provisions of Executive Order 9397 dated November 22, 1943. The SSN is used as an identifier throughout your Federal career. It will be used primarily to identify your records. The SSN also will be used by Federal agencies in connection with lawful requests for information about you from former employers, educational institutions, and financial or other organizations. The information gathered through the use of the number will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of systems of records, 'Applicants for Employment' under Title 38, U.S.C.-VA (02VA135), in the 2003 Compilation of Privacy Act Issuances. The SSN will also be used for the selection of persons to be included in statistical studies of personnel management matters. The use of the SSN is necessary because of the large number of Federal employees and applicants with identical names and birth dates whose identities can only be distinguished by the SSN.

Appendix A: Department of Veteran Affairs Information Security Rules of Behavior for Organizational Users

1. COVERAGE

- a. Department of Veterans Affairs (VA) Information Security Rules of Behavior (ROB) provides the specific responsibilities and expected behavior for organizational users and non-organizational users of VA systems and VA information as required by 0MB Circular A-130, Appendix III, paragraph 3a(2)(a) and VA Handbook 6500, Managing Information Security Risk: VA Information Security Program.
- b. Organizational users are identified as VA employees, contractors, researchers, students, volunteers, and representatives of Federal, state, local or tribal agencies not representing a Veteran or claimant
- c. Non-organizational users are identified as all information system users other than VA users explicitly categorized as organizational users. These include individuals with a Veteran /claimant power of attorney. Change Management Agents at the local facility are responsible for on-boarding power of attorney/private attorneys
- d. VA Information Security ROB does not supersede any policies of VA facilities or other agency components that provide higher levels of protection to VA's information or information systems. The VA Information Security ROB provides the minimal rules with which individual users must comply. Authorized users are required to go beyond stated rules using "due diligence" and the highest ethical standards

2. COMPLIANCE

- a. Non-compliance with VA ROB may be cause for disciplinary actions. Depending on the severity of the violation and management discretion, consequences may include restricting access, suspension of access privileges, reprimand, demotion and suspension from work. Theft, conversion, or unauthorized disposal or destruction of Federal property or information may result in criminal sanctions.
- b. Unauthorized accessing, uploading, downloading, changing, circumventing, or deleting of information on VA systems; unauthorized modifying VA systems, denying or granting access to VA systems; using VA resources for unauthorized use on VA systems; or otherwise misusing VA systems or resources is strictly prohibited.
- c. VA Information Security Rules of Behavior (ROB) does not create any other right or benefit, substantive or procedural, enforceable by law, by a party in litigation with the U.S.Government.

3. ACKNOLEDGEMENT

a. VA Information Security ROB must be signed before access is provided to VA information systems or VA information. The VA ROB must be signed annually by all users of VA information systems or VA information. This signature indicates agreement to adhere to the VA ROB. Refusal to sign VA Information Security ROB will result in denied access to VA information systems or VA information. Any refusal to sign the VA Information Security ROB may have an adverse impact on employment with VA.

b. The ROB may be signed in hard copy or electronically. If signed using the hard copy method, the user should initial and date each page and provide the information requested under Acknowledgement and Acceptance For Other Federal Government Agency users, documentation of a signed ROB will be provided to the VA requesting official.

From: VHA Office of Academic Affiliations (OAA)

Subject: Random Drug Testing Notification and Acknowledgment

To: Health Professions Trainee (HPT) in a Testing Designated Position (TDP)

- On September 15, 1986, President Reagan signed Executive Order 12564, Drug-Free Federal Workplace, establishing a
 policy against the use of illegal drugs by Federal employees, whether on or off duty. In accordance with the Executive
 Order, VA has established a Drug-Free Workplace Program to include random testing for the use of illegal drugs by
 employees (to include trainees) in sensitive positions.
- 2. This is to notify you that as an HPT in a sensitive position you may be subject to random drug testing.
 - VHA Training Programs exempt from Random Drug Testing are: Clinical Pastoral Education (Chaplain), Social Work,
 Dietetics, Occupational Therapy, Optometry, Audiology, Speech Pathology, and Non-Clinical/Administrative.
- You can be assured that the quality of testing procedures is tightly controlled, that the test used to confirm use of illegal drugs is highly reliable and that the test results will be handled with maximum respect for individual confidentiality, consistent with safety and security.
- 4. In accordance with the VA Secretary's memorandum, "Drug Free Workplace Program -Mandatory Authorization Form for Drug Testing and Employee Assistance Program Participation for Illegal Drug Use," signed August 22, 2018 you will be required to sign VA Form 10-5345, "Request for and Authorization to Release Health Information," prior to being drug tested. This form authorizes your drug test results to be shared with VA officials, and others who have a need to know. Failure to sign the authorization form may result in disciplinary action up to and including removal.
- As a trainee subject to random drug testing you should be aware of the following:
 - Counseling and rehabilitation assistance are available to all trainees through existing Employee Assistance Programs
 (EAP) at VA facilities (information on EAP can be obtained from your local Human Resources office).
 - You will be given the opportunity to submit supplemental medical documentation of lawful use of an otherwise illegal drug to a Medical Review Officer (MRO).
 - VA will initiate termination of VA appointment and/or dismissal from VA rotation against any trainee who:
 - o is found to use illegal drugs on the basis of a verified positive drug test, or
 - o refused to be tested.
- 6. Random testing will begin no sooner than 30 days from the date you sign this acknowledgment.
- Visit the US Office of Personnel Management (OPM) Work-Life web page for information on Services Available for You, Guidance & Legislation as well as Substance User Disorder. https://www.opm.gov/policy-data-oversight/worklife/employee-assistance-programs/

I acknowledge receiving and reading the notice which states that my position may be designated for random drug testing, and that, if selected, refusal to submit to testing will result in termination and/or dismissal from the VA.
