

William S. Middleton Memorial Veterans Hospital

PGY2 Psychiatric Pharmacy Residency

Precepting Team

Residency Program Director

Theresa Frey, PharmD, BCPP (she/her/hers) is a Clinical Pharmacy Practitioner in mental health and substance use disorders (SUD) at the Madison VA. She graduated from the University of Wisconsin-Madison School of Pharmacy in 2009. After her PGY1 Pharmacy Practice residency at the Madison VA, she completed a PGY2 Psychiatric Pharmacy residency and joined the pharmacy team in August 2011. Her past clinical work areas include: residential substance use disorders, inpatient psychiatry, and outpatient psychiatric and SUD medication management. Currently she works as a Harm Reduction co-coordinator and as a consultant for the National Telemental Health Center- SUD program and asktheexpert-substanceusedisorder@va.gov email service team member. Her interest areas include resident/student mentoring, substance use disorders, overdose prevention, and motivational interviewing. She is also serves a co-chair of the PBM Clinical Pharmacy Practice Office SUD Pharmacy Subject Matter Expert (SME)

Workgroup, which supports standardization & expansion of the SUD clinical pharmacy practice in VA. She received the 2020 Excellence in Innovation award from the Pharmacy Society of Wisconsin for outreach efforts completed with pharmacy trainees to provide rescue naloxone to at risk veterans.

Residency Program Coordinator

Hannah Rabon, PharmD, BCPS, BCPP (she/her/hers) has worked at the Madison VA as a psychiatric clinical pharmacist practitioner since April 2023. She earned her Doctor of Pharmacy degree from the University of Arkansas for Medical Sciences in 2017. She completed a PGY1 Pharmacy Practice Residency at the Veterans Health Care System of the Ozarks in Fayetteville, AR in 2018 and a PGY2 Psychiatric Pharmacy Residency at the North Florida/South Georgia VA in Gainesville, FL in 2019. She then worked as an outpatient MHC psychiatric pharmacist and the PGY2 Psychiatric Pharmacy Residency Program Director for the Salisbury VA Health Care System in Kernersville, NC from 2019 until coming to Madison in April 2023. Her clinical duties include outpatient Mental Health Clinic (MHC), Integrated Care (IC), and tobacco cessation clinic. She also serves as the Residency Program Coordinator for the Madison VA PGY2 Psychiatric Pharmacy

Residency Program. She has an appointment through the University of Wisconsin School of Pharmacy as a clinical instructor and precepts 4th year pharmacy students in addition to PGY1 and PGY2 residents. In her free time, she enjoys reading, eating, spending time with her fiancé and numerous pets, and competing in triathlons!

Pharmacist Preceptors

Emma Bingen, PharmD, BCPS, BCPP (she/her/hers) received her PharmD from the UW-Madison School of Pharmacy in 2014. She completed a PGY-1 General Practice Residency at UnityPoint-Meriter Hospital in Madison, WI. Following residency, she worked as a clinical pharmacist at SSM-Health St. Mary's Hospital for one year before joining the pharmacy department at the William S. Middleton VA Hospital in 2016. She currently is an inpatient clinical pharmacy specialist where she works closely with general medical and inpatient psychiatry patients as well as precepting students and residents. She also serves as Harm Reduction Co-Coordinator. In her free time, she enjoys spending time her children, dogs, and houseplants.

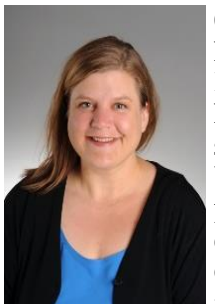

Erica Frazier, PharmD, BCPP (she/her/hers) received her Doctor of Pharmacy degree from Purdue University in 2012. She completed a PGY1 general practice residency at TriStar Centennial Medical Center in Nashville, TN in 2013 and a PGY2 psychiatric pharmacy residency at the William S. Middleton Memorial Veterans Hospital in Madison, Wisconsin in 2014. She then joined the William S. Middleton Memorial Veterans Hospital as a psychiatric clinical pharmacist. Her clinical responsibilities include primary care-mental health integration (PCMHI) medication management. She also does administrative projects for the mental health service line. She is the operational lead for the PCMHI team and the Mental Health Clinical Pharmacy Practitioners' Supervisor. She works as part of the pharmacy team to precept UW pharmacy students, PGY1 residents and PGY2 psychiatric pharmacy residents.

Casey Gallimore, PharmD, MS received her PharmD and MS in Clinical Investigation from the University of Wisconsin. Upon graduation she completed the Pharmaceutical Care Leadership Residency at the University of Minnesota College of Pharmacy. She is currently an Associate Professor and Co-Director of the School's Interprofessional Education Program at the University of Wisconsin School of Pharmacy. Her teaching efforts are focused in skills-based instruction, interprofessional education and mental health pharmacy. Casey's research interests include evaluation of integrated pharmacy services within primary care, and scholarship of teaching and learning. She practices at Access Community Health Center as a pharmacist member of the behavioral health team.

Stephanie Gruber, PharmD, BCACP (she/her/hers) received her Doctor of Pharmacy degree from Purdue University in 2014. Her postgraduate training included a PGY1 Pharmacy Practice Residency in Ambulatory Care and a PGY2 Ambulatory Care Residency focusing in primary care and rheumatology management at the William S. Middleton Memorial Veterans Hospital. After completion of her residency training in 2016, Stephanie joined the pharmacy team as an Ambulatory Care Clinical Pharmacist Practitioner. She currently staffs as a primary care team pharmacist at the Madison VA West Clinic and serves as the Tobacco Treatment Clinic Coordinator. She also collaborates within multiple research and interprofessional health condition management groups. Stephanie was humbled to receive the facility's Preceptor of the Year award in 2017 and in 2020 became the PGY2 Ambulatory Care Residency Program Director. Her non-clinical areas of interest include supporting department Diversity, Equity, and Inclusion efforts and fostering learner leadership growth and development. As a Clinical Assistant Professor at the University of Wisconsin-Madison, Stephanie serves as a guest lecturer in the DPH-3 pharmacotherapy class, precepts experiential students throughout the year, and is a co-coordinator for the UW-Madison Teaching Certificate Program. In her spare time, Stephanie enjoys camping, running, baking cupcakes, and kayaking.

Catherine Johnson, PharmD, BCPP, MS (she/her/hers): Originally from Northern California, she received her PharmD degree from Creighton University in 1998. She completed her PGY 1 residency at the VA Hospital in Portland, OR and a PGY2 residency at the William S. Middleton Memorial Veterans Hospital. She later joined the Madison VA as a clinical pharmacist after hiking the Appalachian Trail in 2001. She specializes in psychopharmacology and completed her Masters in Population Health Sciences at the University of Wisconsin-Madison, where she is a Clinical Instructor with the School of Pharmacy. She previously held positions as the director of MH services for the community-based outpatient clinics (CBOCs) of the Madison VA and the PGY-2 Psychiatry Pharmacy residency director until 2016. She has served and chaired the National ASHP Council of Therapeutics and CPNP Research Committee. Currently, she works as an interim clinical pharmacist in mental health. She enjoys mentoring new pharmacy residents in leadership and is a guest ASHP surveyor for PGY2 Psychiatric Pharmacy residency programs.

Diane Johnson, PharmD, BCPS (she/her/hers) is a clinical pharmacist practitioner (CPP) in pain management and palliative care, and the residency program director (RPD) of the PGY2 Pain Management and Palliative Care Pharmacy Residency. She received her PharmD from the University of Wisconsin School of Pharmacy in 2007. She completed the Pharmacy Practice PGY1 Residency at the William S. Middleton Memorial Veterans Hospital and then joined the pharmacy team as a Clinical Pharmacist in August 2008. Her practice has historically been in the Chronic Pain and Anticoagulation Clinics, in addition to staffing in the inpatient and outpatient pharmacies. In 2023, she added palliative care clinic to her pain clinic duties to streamline services provided and no longer staff in the other areas. She has an appointment through the University of Wisconsin School of Pharmacy as a clinical instructor and precepts 4th year pharmacy students in addition to PGY1 and PGY2 residents. Dr. Johnson sits on the pain committee, OSI committee,

CARA workgroup, and Whole Health Implementation committee. She works with the national VA Clinical Pharmacy Practice Office and is a co-chair for the Pain Management Subject Matter Expert group. She established the PGY2 Pain Management and Palliative Care Pharmacy Residency in 2019 which has allowed her to further pursue her passion of mentoring pharmacy residents. In her spare time, you can find her outside in the sun or snow, usually with her husband, daughter, and dog (the cat stays inside).

Anna Marceau, PharmD (they/them) graduated from Drake University College of Pharmacy and Health Sciences in Des Moines, IA in 2019. Following this, they completed a PGY-1 general practice pharmacy residency at the Central Iowa VA and subsequently a PGY-2 psychiatric pharmacy residency at the William S. Middleton Memorial Veterans hospital. They now practice as a clinical pharmacy practitioner on the acute psychiatry unit at the Madison VA and precept pharmacy residents and pharmacy students in this role. In addition to their clinical duties, they are an active member of the Diversity, Equity, and Inclusion Steering Team and have given several presentations on creating an affirming workplace environment and providing affirming care to transgender patients. Outside the world of pharmacy, they enjoy advocacy work, spending time with family, and exploring Madison's bike trails.

Marie (Moser) Navis, PharmD (she/her/hers) received her Doctor of Pharmacy degree from the University of Iowa in 2015. She completed a PGY1 general practice residency at the Nebraska-Western Iowa Health Care System (NWIHCS) - Omaha campus in Omaha, Nebraska and a PGY2 psychiatric specialty residency at the William S. Middleton Memorial Veterans Hospital. Her clinical responsibilities include working with patients who have co-morbid mental health and chronic pain conditions as well as in the anticoagulation clinic. She is a member of the transgender clinic team working on expanding services for our Veterans as well. As someone who values teamwork and interprofessional collaboration, she also is a certified HBDE practitioner and facilitates assessment debriefs to encourage and leverage cognitive diversity and improve team dynamics. In her spare time, Marie enjoys playing basketball, dancing, traveling, and spending time with her family.

Andrea Porter, PharmD (she/her/hers) graduated from the University of Wisconsin-Madison School of Pharmacy in 2006. After graduation, she completed a PGY1 Pharmacy Practice Residency at the Denver Veterans Affairs Medical Center in Denver, Colorado. She has been a Clinical Pharmacy Practitioner in the Anticoagulation Clinic at the William S. Middleton Memorial Veterans Hospital since September 2009. Andrea is also an Associate Professor (CHS) and Director of Pharmacotherapy Laboratories at the University of Wisconsin-Madison School of Pharmacy and joined the School in November 2008. Andrea is a faculty co-advisor for the largest student professional organization, the Wisconsin Society of Pharmacy Students, which is affiliated with APhA, ASHP, and PSW. She is a preceptor for residents during their teaching experience at the School of Pharmacy. Her research interests focus on educational-based scholarship, particularly educational innovation and blended learning, as well as clinical research in the Anticoagulation Clinic.

Katherine (Katie) Rothbauer, PharmD (she/her/hers) graduated from the University of Wisconsin-Madison School of Pharmacy in 2020. She then completed a PGY1 ambulatory care pharmacy residency in 2021 followed by a PGY2 psychiatric pharmacy residency in 2022 at the William S. Middleton Memorial Veterans Hospital. She is now a Clinical Pharmacist Practitioner specializing in pain management and substance use disorders. Her clinical responsibilities include various roles within pain and ADTP clinics, as well as leading initiatives to increase naloxone access for Veterans with risk factors for opioid overdose. Outside of pharmacy, she enjoys time spent with family and friends, reading, and getting outside to bike or hike.

Hannah Schulz, PharmD, MPH (she/her/hers) has worked at the Madison VA as a Mental Health Clinical Pharmacist Practitioner since July 2023. She earned her Doctor of Pharmacy and Master of Public Health degrees from the University of Wisconsin-Madison in 2021. She completed a PGY1 Inpatient Pharmacy Practice Residency at UnityPoint Health-Meriter (Madison, WI) in 2022 and a PGY2 Mental Health Pharmacy Residency at the William S. Middleton Memorial Veterans Hospital in 2023. She works in outpatient Mental Health Clinic (MHC), Alcohol and Drug Treatment Program (ADTP), Integrated Care (IC), and Tobacco Treatment Clinic. In her free time, she enjoys hanging out with her golden doodle (Cotter), photography, concerts, yoga workout classes, traveling, and visiting many of Madison's restaurants!

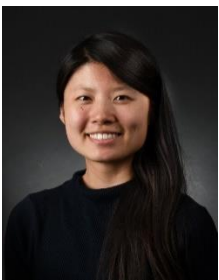

Trisha Seys Rañola, PharmD, CGP, CDE joined the William S. Middleton VA in July 2006 as a Clinical Pharmacist. She graduated from the University of Wisconsin School of Pharmacy in 2002 and completed the Pharmacy Practice Residency at the William S. Middleton VA in 2003. She completed a two-year Integrative Medicine Fellowship in September 2020. She is the pharmacist on the William S. Middleton Memorial Veterans Hospital Home-Based Primary Care Team and is currently the pharmacy preceptor for this residency experience. She is the Assistant Director of the Office of Global Health at the UW-Madison, School of Pharmacy

Alexandra (Alex) Sklansky, PharmD, BCPP (she/her/hers) received her Doctor of Pharmacy degree from the University of Wisconsin-Madison School of Pharmacy. After graduation she worked in retail pharmacy for three years before completing a PGY1 pharmacy practice residency and PGY2 mental health residency at the Captain James A. Lovell FHCC. Next, she moved to Milwaukee Area to work for Froedtert and the Medical College of Wisconsin as a mental health ambulatory care pharmacist. Eventually, she moved back to her hometown of Madison, WI and served as the inpatient mental health pharmacist team lead at UPH-Meriter Hospital. Alex's current role is as a mental health clinical pharmacist practitioner. In her free time she enjoys walking her dog, meeting up with family and friends, going to coffee shops, and working on home improvement projects.

Maralena Taube, PharmD (she/her/hers) earned her Doctor of Pharmacy degree from the University of Wisconsin-Madison School of Pharmacy in 2020. She completed both the PGY-1 Ambulatory Care and PGY-2 Psychiatric Pharmacy residencies at the William S. Middleton Memorial Veterans Hospital in 2021 and 2022. After graduating from residency, she joined the pharmacy team as a mental health clinical pharmacist practitioner working in outpatient mental health and epilepsy clinic. Her interest areas include the intersection between neurology and psychiatry, treatment resistant mood disorders, and the use of clozapine in those with psychotic disorders. She enjoys spending time with friends and family, gardening, exercising, and decorating sugar cookies.

Shuwen (Suzy) Wu, PharmD, BCPP (she/her/hers) is a Clinical Pharmacy Practitioner in mental health and substance use disorders (SUD) at the Madison VA. She received her Doctor of Pharmacy degree from Northeastern University in 2018, completed PGY-1 residency rotating through several Massachusetts state hospitals, and completed PGY-2 psychiatric pharmacy residency at the William S. Middleton Memorial Veterans Hospital. She worked as a SUD clinical pharmacist at VA Illiana in Danville, IL before coming back to join the team at Madison VA. Her clinical responsibilities include medication management in mental health and SUD, as well as Integrated Care and Tobacco Treatment Clinic. Outside of work, her interests include playing the violin and caring for houseplants.

Lauren L Welch, PharmD, BCGP (she/her/hers) is one of the geriatric clinical pharmacist here at the VA. She currently practices in several Geriatrics Specialty Clinics, Geriatric PACT clinic and oversees both PGY1 and PGY2 pharmacy residents who complete geriatric-related rotations. She completes all fall medication review via e-consults for inpatient falls. Lauren is heavily involved in a variety of educational initiatives within the Geriatric Research and Education Clinical Center (GRECC) with the national Geriatric VA scholars program, medical residents, geriatric fellows and pharmacy residents/students. Lauren graduated from Purdue University in 2008 and came to the Madison VA to complete her PGY1 residency from 2008-2009. She fell in love with the geriatric population during her PGY1 year of residency and decided to stay on for a second year for Ambulatory Care with a primary focus in

Geriatrics through the GRECC at the Madison VA under the wings of some people stellar geriatrics mentors both at the VA and through the WI pharmacy community. Lauren also serves as a guest lecturer at the University of Wisconsin School of Pharmacy in the area of geriatric pharmacy and dementia care. She has a passion for deprescribing and is involved both locally and nationally on deprescribing initiatives throughout the VA. She was awarded the Madison VA Pharmacy Preceptor of the year award for the PGY1 and PGY2 classes of 2019-2020 – truly such an honor and such a job to be a part of such an amazing residency program.

Anna White, PharmD (she/her/hers) graduated from the Purdue University School of Pharmacy in 2011 and completed a PGY1 Pharmacy Practice residency at the William S. Middleton Memorial Veterans Hospital. Following this, she completed the PGY2 Psychiatric Pharmacy residency and joined the Madison VA pharmacy team as a Mental Health Clinical Pharmacy Practitioner in 2013. She currently works as an Academic Detailing Clinical Pharmacy Specialist for VISN 12, providing education and support for providers on a variety of mental health and primary care topics at the Madison and Tomah VA hospitals. In addition to Academic Detailing, she provides clinical care as a member of the Integrated Care team and the Comprehensive Specialty Medication Management service at the Madison VA.

Non-Pharmacist Preceptors

Lisa Boyle, MD, MPH, DFAAGP (she/her/hers) is an Adjunct Clinical Professor of Psychiatry at the University of Wisconsin. She received her MD from the University of Wisconsin School of Medicine in 2000 and completed psychiatry residency at the University of Michigan in 2004 and a combined Geriatric Psychiatry and HRSA Interdisciplinary Geriatrics fellowships in 2006 at the University of Rochester. Currently, she works in the outpatient Mental Health clinic with a primary focus on caring for our aging Veterans and serves as the University of Wisconsin's Program Director for the Geriatric Psychiatry Fellowship. Her interests include teaching inter-professionals about caring for the mental health needs of older adults, with special emphasis on evaluation and management of patients with neurocognitive disorder complicated by behavioral and psychological symptoms. Beyond her clinical care and teaching efforts, her greatest joy is raising her twins, a daughter and son, back in her hometown of Madison surrounded by family.

Alex Faris, PhD (he/him/his) completed his doctorate in clinical psychology from the University of Arkansas in 2005. After finishing his APA-accredited internship at the University of Wisconsin's University Health Services and later launching their primary care behavioral health program, he joined the William S. Middleton Memorial Veterans Hospital as a Psychologist and Health Behavior Coordinator. Currently, he works in Primary Care – Mental Health Integration where he provides a wide range of evidence-based services. As an Adjunct Clinical Assistant Professor (University of Wisconsin School of Medicine and Public Health), he is passionate about training and supervision, especially in interprofessional settings. He most enjoys teaching motivational interviewing (Member, Motivational Interviewing Network of Trainers) and primary care behavioral health (Certificate, University of Massachusetts Medical School). He greatly values time with family, bicycling, live music, and traveling

(near and far).

Lisa Bodenhamer DO, MS graduated from the Texas College of Osteopathic Medicine in Fort Worth, TX as a Doctor of Osteopathic Medicine (DO). She has a BA in Psychology, a BS in Biology with a focus in neuroscience, and a Master's Degree in Medical Science. After medical school, she moved to Wisconsin to complete her psychiatry residency training through the University of Wisconsin and stayed in Madison to join the VA as a staff psychiatrist. She works in the Integrated Care Clinic as well as the Mental Health Clinic and is a provider in the transcranial magnetic stimulation (TMS) clinic.

Melissa A Goelitz, MD (she/her/hers) graduated from medical school at University of Illinois – Chicago. She then did residency at UW in Madison before completing a fellowship in community psychiatry at University of California – San Francisco. She then realized living in the Midwest was the best and returned to home to work at the VA. She started out doing inpatient psychiatry before a transition to outpatient psychiatry in 2017. Areas of interest are in community psychiatry including working to keep the SMI population in the community and transgender/gender diverse care. She also provides IV ketamine treatment and electro-convulsive therapy.

Katrina Hickle-Koclanes, MD received her MD from Creighton University in Nebraska. She completed her psychiatry residency at the University of Wisconsin, which includes working at this VA. As part of her residency training, Katrina completed the public health track and community track, which focused on rural mental health, improving access, and working with the chronically mentally ill. This has led her to be a part of Integrated Care and MHICM Range in Waupaca at the VA. She enjoys working with trainees and teaching.

Ariela Karasov, MD (she/her/hers) received her Doctor of Medicine degree from the University of Wisconsin School of Medicine and Public Health in 2011. She completed residency training in Psychiatry and a fellowship in Neuropsychiatry at Stanford University. She is a staff psychiatrist at the Madison VA hospital with special interests in the treatment of patients with comorbid psychiatric and neurological disease, Bipolar Disorder, and the use of repetitive transcranial magnetic stimulation in mental health.

Evan Kourtjian, MD (he/him/his) has worked at the Madison VA as a staff psychiatrist for 1 year, following his 4 year psychiatric residency in Madison at UW/VA. He went to med school at Michigan State University in Grand Rapids, MI and is originally from Ann Arbor, MI. He works primarily as an inpatient psychiatrist on unit 2B but rotates with other attending psychiatrists in consult-liaison and interventional psychiatry roles, performing ECT and IV/esketamine treatments. He enjoys teaching psychiatry and pharmacy residents and students and is always down to read the latest peer-reviewed research. In his free time, he enjoys mountain biking, electronic music, and spending time with his wife Steph and his corgi Alfie.

Rachel Molander, MD (she/her/hers) is a staff Psychiatrist and Medical Director of the Inpatient Psychiatry unit at the William S. Middleton Memorial Veterans Hospital. She holds positions as a Clinical Assistant Professor at the University of Wisconsin School of Medicine and Public Health and lead psychiatrist in the Latino Clinic at Journey MH Center. She completed her undergraduate degree in Biochemistry at the University of California San Diego, her medical degree at Stanford School of Medicine, and psychiatry residency at the University of Wisconsin. She has received several teaching awards including the UW Psychiatry Residency Excellence in Teaching award and VA PGY2 MH Pharmacy Preceptor of the Year award. Areas of educational interest and expertise include Motivational Interviewing and Interprofessional Education. In collaboration with colleagues from pharmacy, social work and psychiatry, she developed and was previously the director of the Interprofessional Education Program in Primary Care-Mental Health (nationally recognized with a VHA Office of Mental Health Operations *Strong Practice Award*). Clinical interests include acute psychiatric care, substance use disorders, PTSD and MH services in the Latino community.

Rebecca Radue, MD (she/her/hers) is a geriatric psychiatrist at the William S. Middleton Memorial Veteran's Hospital, where she works in outpatient mental health and the Geriatrics Research, Education and Clinical Center (GRECC) on the VIRTUAL Geriatrics Team. She received her medical degree from the University of Wisconsin School of Medicine and Public Health, and subsequently completed psychiatry residency and geriatric psychiatry fellowship at the University of Wisconsin Hospital and Clinics. She focuses on late life substance use disorders and dementia care and loves to teach within academic medicine and the broader community. She serves as a Clinical Adjunct Assistant Professor of Psychiatry through the University of Wisconsin School of Medicine and Public Health.
