

SAN FRANCISCO VA HEALTH CARE SYSTEM

PGY2 Pain Management & Palliative Care Pharmacy Residency

The PGY2 Pain Management and Palliative Care Pharmacy Residency at the San Francisco VA Health Care System is a one-year specialty residency designed to prepare a pharmacist to practice as a pain management, palliative care and/or substance use disorder Clinical Pharmacy Practitioner. The residency program includes training alongside a variety of multidisciplinary pain management, addiction medicine, and palliative care teams. This residency affords direct patient care opportunities within the inpatient, perioperative, and ambulatory care settings.

DIVERSITY, EQUITY & INCLUSION

SFVAHCS is a leader in developing and sustaining a diverse, equitable, inclusive (DEI) and engaged workforce. Our DEI mission is to embrace and celebrate diversity in an inclusive community, where Veterans and employees are fully engaged and valued. Our DEI vision is an innovative and welcoming community grounded in respect, safety, and connection where Veterans receive unparalleled, individualized care and employees fulfill their greatest potential. The San Francisco VA Health Care System is recognized VA-wide for its innovation, collaboration and leadership in DEI as the first VA health care system to establish an Office of Diversity, Equity, and Inclusion.
