

Healthcare for Transgender and Gender-Diverse Veterans at VA Connecticut Healthcare System

VACT offers the following gender-affirming healthcare services:

- Support groups and individual therapy
- Pre-surgery evaluation and surgeon letter
- Hormone therapy
- Primary care
- Speech therapy
- Gender-affirming prosthetics (e.g., wigs, binders)
- Hair removal
- Name/gender record modification
- Fertility preservation

To learn more about these services or be connected, contact your LGBTQ+ Veteran Care Coordinator **Aliya Webermann, PhD (she/her)** at 203-715-6371 or aliya.webermann@va.gov

**WE SERVE
ALL WHO SERVED**
