**ENVIRONMENTAL HAZARD REGISTRY (EHR) WORKSHEET
 (WORKING TEMPLATE)**

The Paperwork Reduction Act of 1995 requires us to notify you that this information collection is in accordance with the clearance requirements of Section 3507 of the Paperwork Reduction Act of 1995. We may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a valid OMB number. We anticipate that the time expended by all individuals who must complete this form will average 60 minutes. This includes the time it will take to read instructions, gather the necessary facts and fill out the form.

Privacy Act Statement: The authority for collection of the requested information is found in 38 U.S.C. 527 and 1116 (Ionizing Radiation Registry and Agent Orange Registry) and 38 U.S.C. 1117 (Gulf War Registry). The data from the Environmental Hazards Registry examination is used to collect information on health issues that may be affecting Veterans who were deployed to various conflicts. Providing the requested information during a registry examination is voluntary; however, if not provided, VA will be unable to enter the Veteran into the registry. Failure to furnish any or all registry information will have no effect on other benefits to which the Veteran may be entitled. VA will not disclose your personal information to third parties without your consent, except for routine uses made in accordance with the Privacy Act of 1974 and the applicable VA System of Records Notice (SORN): National Patient Databases-VA (121VA19); Ionizing Radiation Registry (69VA131); Agent Orange Registry (105VA131); and Gulf War Registry (93VA131).
