

DOLE VA MEMORIAL PEACE GARDEN

REMEMBERING THOSE WE HAVE LOST AND COMFORTING THOSE WHO HAVE SERVED

PURPOSE

The Memorial Peace Garden at the Robert J. Dole VA Medical Center is a therapeutic garden for Veterans, their families, and employees that provides emotional relief, physical relief, and restoration. Dedicated on Veterans Day in 2013, it was established through a collaboration between VA, volunteers, and includes support from businesses and individuals in the community. The Memorial Peace Garden serves to enhance the Dole VAMC mission "To honor and serve Veterans with world class care that improves the quality of their lives."

INSCRIPTION

Please print below exactly how you want the inscription of the Veteran's name to appear on the Memorial brick. Please use only uppercase or lowercase letters, spaces, and punctuation. Not every space must be filled.

LOCATION/DESIGN

The Memorial Peace Garden is located just north of Building 5. The garden is handicap accessible and is a place for quiet reflection or camaraderie. It also:

- Provides a source for fresh produce and herbs for Veterans and their families.
- Presents an opportunity for Veterans and volunteers to plant, water, weed, or simply enjoy the serenity of the environment.

RESOURCES/COST

The cost of maintaining the garden is supported exclusively through donations. Donations by check can be sent for any amount you choose. Donations can also be made online at: https://www.pay.gov/public/form/entry/102/50728406/. In the Donor Intent block, write For Peace Garden.

MEMORIAL BRICKS

Memorial paver bricks (4" x 8" red clay pave stones) to honor Veterans, living or deceased, are available for purchase at a cost of \$50. The engraved brick is placed within the garden. Remaining funds from the brick purchases are placed into a "garden account" to be used for maintenance of the garden.
