*Be Extraordinary Everyday*

**Honoring Non-Nursing Colleagues**

**VA**

U.S. Department of Veterans Affairs  
Veterans Health Administration  
James E. Van Zandt VA Medical Center

## What is the BEE Award?

The BEE (Bee Extraordinary Everyday) Award was created as part of the DAISY Award Program to honor and recognize those who provide outstanding assistance to our licensed nursing staff so they can provide extraordinary patient care every day.

Our BEE Award nominees demonstrate the VA's "I CARE" principles. They also demonstrate excellence through their extraordinary compassionate care to Veterans and VA team members. They are recognized as role models in our healthcare community. The Altoona JEVZ VAMC will recognize one of our non-nursing colleagues with this special honor every other month or 6x/year.
