

Caramelized Onion Dip

Prep: 5 minutes Cook: 20 minutes Total: 25 minutes

Yield: 8 servings Serving Size: ¼ cup

Ingredients

- 1 tablespoon extra-virgin olive oil
- 1 cup diced onion (about 1 medium onion)
- Pinch of salt
- ¾ cup nonfat plain Greek yogurt (about 6 ounces)
- ¼ cup olive oil mayonnaise
- ¼ teaspoon garlic powder
- ¼ teaspoon ground white pepper (black pepper is okay, but you may want to use less)

Directions

1. Heat a medium-sized sauté pan over medium heat.
2. Add the oil and allow it to heat up (about 20 to 30 seconds).
3. Add the onion and salt and cook until the onions are caramelized, about 20 to 30 minutes, stirring every 5 to 10 minutes.
4. Remove the pan from the heat and set aside to cool.
5. While the onions caramelize, add the Greek yogurt, mayonnaise, garlic powder, and white pepper to a small mixing bowl. Stir to combine.
6. Add the cooled caramelized onions to the yogurt mixture and stir to combine.
7. Serve immediately or refrigerate for at least 30 minutes, up to 7 days. Stir before serving to recombine.

Recipe Notes

- The flavor of this dip improves with time. If possible, make it the day before you plan to serve it. The dip will thicken as it sits in the refrigerator. If needed, add 1 to 2 tablespoons of water and mix well to thin.
- This dip goes well with whole-grain chips (e.g. tortilla chips) or crackers, as well as raw crunchy vegetables such as carrots, celery, cucumbers, bell peppers, broccoli, cauliflower, and snap peas.
