Sweet Potato Black Bean Quesadilla

A great light and easy-to-make lunch or side that's even better the next day!

Ingredients:

1 medium to large sweet potato, peeled
1 tablespoon olive oil
1 teaspoon chili powder
1/2 teaspoon ground cumin
Dash of salt (optional)
4 whole grain tortillas (about 8in diameter)
1 cup grated cheddar or Monterey Jack cheese
1 cup cooked black beans (from one 15 ounce can), rinsed and drained
2/3 cup prepared or homemade salsa

Directions:

1. Slice your sweet potatoes into 1/4 inch cubes. In a large skillet, warm the olive oil over medium heat. Add the chopped sweet potatoes and toss to coat, then add the chili powder, cumin and a pinch salt. Stir to combine. Once the pan is sizzling, add 1/4 cup water, then cover the pan and reduce heat to low to avoid burning the contents. Cook, stirring occasionally, until the sweet potato is tender and cooked through, about 10 minutes.
2. Make the quesadillas: Heat a 10-inch skillet over medium heat. Warm one tortilla for about 30 seconds, flipping halfway. Flip once more, and sprinkle one-half of the tortilla with 1/4 of the cooked sweet potatoes, 1/4 cup beans and 2 tablespoons prepared salsa. Sprinkle about 1/4 cup cheese over the fillings and fold over the empty side of the tortilla to enclose the fillings.
3. Cook for about 3 to 4 minutes on each side.
4. Slice each quesadilla into three even wedges using a sharp pizza cutter or chef's knife. Serve immediately.

Topping suggestions: chopped avocado, plain Greek yogurt, additional salsa or hot sauce, chopped fresh cilantro or chopped fresh tomatoes.
