FOR IMMEDIATE RELEASE

Cincinnati VAMC Welcomes Applicants to On-the-Spot Hiring Event, December 9

The medical facility is in search of qualified housekeeping aids, food service workers, cooks, and health technicians.

CINCINNATI — The Cincinnati VA Medical Center (VAMC) will host an on-site hiring event on Saturday, Dec. 9, from 10 a.m. to 4 p.m. at 3200 Vine Street. The event is open to all community members, and same-day job offers will be made to qualified housekeeping aids, food service workers, cooks, and health technicians. No registration required.

“At VA, we have some of the best and brightest employees in the health care industry, whose work centers on a shared purpose: making a difference in the lives of Veterans and their families,” said Justin Ramke, Cincinnati VAMC Chief of Human Resources. “If you are a talented, hardworking, and reliable person interested in opportunities for competitive pay and career advancement, we’d be honored to have you at the event!”

All Veterans and non-Veterans are welcome to participate in the hiring event, as VA is committed to ensuring equal employment opportunity (EEO) for applicants and employees.

In a policy statement signed by VA Secretary Denis McDonough, the Secretary attributes VA’s success to “the appreciation of diverse experiences, backgrounds and perspectives, of both Veterans and VA employees,” as well as employees’ “talents, ideas and perspectives” of which they may offer “freely and without fear of reprisal.”

Representatives from human resources and various departments will be on-hand to assist applicants through the application and onboarding process. Potential applicants should come to the hiring event equipped with the following to ensure an efficient application process:

- **Resume that reflects qualifications and related work experience**
- **DD214, VA disability letter, and/or SCH A letter (if applicable)**
- **2 forms of ID**
- **At least 2 references**

Those under consideration for a position should also be prepared to undergo a background check and, depending on the position, drug testing during the event.

If someone is interested in applying for a position at the Cincinnati VAMC but cannot make it to the hiring event, they may visit [USAJOBS](https://www.usajobs.gov) and search Veterans Affairs in Cincinnati, OH to view open job announcements.

For more information about the hiring event, email Human Resources Assistant Kristy Grow at kristy.grow@va.gov.

ABOUT THE CINCINNATI VA MEDICAL CENTER

At the Cincinnati VA Medical Center, our health care teams are deeply experienced and guided by the needs of Veterans, their families, and caregivers.

The Cincinnati VAMC provides health care services at 12 locations serving a 15-county catchment area in Southern Ohio, Northern Kentucky, and Southeast Indiana: two hospitals, nine community-based outpatient clinics, and a mobile care unit. As a teaching hospital, the Cincinnati VAMC maintains approximately 85 academic affiliations in health care fields, including dentistry, pharmacy, nursing, social work, and psychology. In 1991, the medical center formed the non-profit research foundation, the Cincinnati Education For Veterans Foundation, Inc, to improve health care for Veterans, which currently operates more than 200 research projects in areas like Post-Traumatic Stress Disorder, cardiology, diabetes, and more. For more information about the health care services offered, visit www.va.gov/cincinnati-health-care/.
