GivingTuesday – November 28, 2023

GivingTuesday is a global generosity movement unleashing the power of radical generosity. It's a simple idea: whether it's making someone smile, helping a neighbor or stranger out, showing up for an issue or people we care about, or giving some of what we have to those who need our help, every act of generosity counts and everyone has something to contribute toward building the better world we all want to live in.

Aleda E. Lutz VAMC, located at 1500 Weiss St., Saginaw, MI 48602, is hosting GivingTuesday on November 28, 2023 to engage the community to support Veterans. We will be accepting donations from 8:00 a.m. to 4:00 p.m. at the main entrance of the facility. We are asking for donations of winter gloves, hats and thermal socks that are new and have tags intact to ensure we are giving the absolute best to Veterans. "Since the inception of GivingTuesday, back in 2012, we have seen the thoughtfulness and concern people feel for Veterans, as they have given generously over the years," stated Adam Hayward-Lupo, Chief of Center for Development and Community Engagement (formerly known as Voluntary Service). "These items really help Veterans get through the winter months. They are always grateful and express their appreciation of the community support. We look forward to this time of year as donations come in and impact the lives of Veterans and are thankful for the support."
