MEDITATIONS AND PRAYERS

God of love, who provides all things for our eternal good, mercifully show me wisdom in this time, strengthen my faith in your constant love and presence, calm my nerves, quiet my fears, and dismiss my doubts, in your name I pray, Amen.

Oh Giver of Life, I thank you for each breath I continue to breathe. I thank you for the many caring hands that serve me while I am ill. I thank you that my life is in your mercy. Amen.

Almighty and Eternal, support me all the day long. Remind me that each breath I breathe is a gift from you, that I might rest in the comfort of your mercy.

Grant me peace of mind at the end of this day that I might rest all the night through. Amen.
