

Lt. Col. Luke Weathers, Jr. VA (Memphis VA) Clinical Neuropsychology Fellowship

Program Tables – Admissions, Support, and Placement Data

As required by the APA Commission on Accreditation, below is the current Postdoctoral Residency Admissions, Support, and Initial Placement Data for the Clinical Neuropsychology Program.

Postdoctoral Residency Admissions, Support, and Initial Placement Data
Date Program Tables are updated: 01/03/2024

Program Disclosures	
Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?	No
If yes, provide website link (or content from brochure) where this specific information is presented:	NA
Postdoctoral Program Admissions	
Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on resident selection and practicum and academic preparation requirements:	
Applicants who show a good fit with our program have a strong interest in pursuing the following goals: <ol style="list-style-type: none"> 1. To practice as a clinical neuropsychologist who is prepared to perform assessment, intervention, and consultation services in diverse adult populations; 2. To provide training and supervision in clinical neuropsychology, and 3. To conduct clinically relevant research. 4. Other factors that reflect a good fit include prior experiences in neuropsychological assessment at the practicum and/or internship level and in research that leads to successful presentations and/or publications. 	
Describe any other required minimum criteria used to screen applicants:	
Applicants must meet the following prerequisites to be considered for our postdoctoral training program: <ol style="list-style-type: none"> 1. Prior to the start date of the fellowship program, completion of an APA-accredited or CPA-accredited doctoral program in Clinical, 	

<p>Counseling, or Combined psychology or a Psychological Clinical Science Accreditation System (PCSAS) accredited program in Clinical Science. Persons with a doctorate in another area of psychology who meet the APA or CPA criteria for respecialization training in Clinical, Counseling, or Combined Psychology are also eligible.</p> <ol style="list-style-type: none"> 2. Completion of an APA-accredited or CPA-accredited Psychology Internship Program. 3. United States citizenship. 4. Male applicants born after 12/31/1959 must have registered for the draft by age 26. 5. Selected fellows are subject to fingerprinting, background checks, and urine drug screens. Selection decisions are contingent on passing these screens. 6. Selected fellows are also required to meet the essential functions (physical and mental) of the training program and be immunized following current Center for Disease Control (CDC) guidelines and VHA policy for healthcare workers to protect themselves, other employees and patients while working in a healthcare facility. 7. Selected fellows will be required to complete paperwork (e.g., Declaration for Federal Employment and Application for Health Professions Trainees) and training modules as directed. 8. Training, experiences, and professional interests that reflect a commitment to the clinical application of psychology and the aim of the fellowship program. <p>To access a complete listing of and more detailed information on the VA-wide requirements for eligibility to train in a VA setting, please use this link: https://www.psychologytraining.va.gov/eligibility.asp</p> <p>Please note, there may be additional onboarding requirements (e.g., security and drug screening) for selected fellows who elect to complete a rotation at a non-VA or UT Consortium site.</p>
