

VA Mission Statement:

Honor America's Veterans by providing exceptional health care that improves their health and well-being.

VA Vision:

VHA will continue to be the benchmark of excellence and value in health care and benefits by providing exemplary services that are both patient-centered and evidence-based.

This care will be delivered by engaged, collaborative teams in an integrated environment that supports learning, discovery and continuous improvement.

It will emphasize prevention and population health and contribute to the nation's well-being through education, research and service in national emergencies.

Pharmacy Residency Program Purpose Statement:

PGY1 residency programs build upon Doctor of Pharmacy (PharmD) education and outcomes to develop pharmacist practitioners with knowledge, skills, and abilities as defined in the educational competency areas, goals, and objectives. Residents who successfully complete PGY1 residency programs will be skilled in diverse patient care, practice management, leadership, and education, and be prepared to provide patient care, seek board certification in pharmacotherapy (i.e., BCPS), and pursue advanced education and training opportunities including postgraduate year two (PGY2) residencies.

Current PGY-1 Pharmacy Residents:

Hailee.Dahl@va.gov

Lakyn.Hanson@va.gov

Timothy.Kracher@va.gov

Rudolph.Saenz@va.gov
