

"I think I'll go to Boston..." VA BOSTON HEALTHCARE CF Positions 2024-2025

The **VA Boston Healthcare System** announces **TWO** Clinical Fellowship (CF) positions for the coming Fiscal Year. **The starting date will be within the time frame of July through September of the current year negotiable depending on the availability of the successful candidate.**

Recruitment begins NOW. Applications will be accepted through February 09

The appointment is **12** months, **2080** hours. Each stipend is **\$46352 + benefits**

TWO full-time, one-year (12 month) CF positions available.

*Must be a US Citizen for this opportunity.

*Applicants with a strong academic background in adult anatomy, cognitive-communication disorders, dysphagia, evidence-based practice, language disorders, neuroscience, neurogenic communication disorders, and voice are preferred.

*Health Professions Trainees (CFs) onboarded/hired on or after November 22, 2021, must be fully vaccinated (or an approved exception) before beginning employment and/or training rotations with VA.

Interested applicants should submit the following for a completed application:

- 1. A cover letter of interest in the position**
- 2. A Vitae/Resume**
- 3. Experience Document 2020 (see link below)**
- 4. Two signed letters of recommendation (emailed in packet by candidate or separately by reference)**

Call me with any questions. We will **accept completed applications ONLY** (cover letter, resume, references, and experience document) and **emailed as one document packet, from right now through COB February 09** and then pick the top 6-8 candidates from those for interview starting around **March 05** with a plan to complete interviews, finalize the process, selecting two candidates on or around **March 15**.

Tentative start date is **July** through **September**. We intend to offer TWO distinct experiences with opportunity to share populations and settings for limited prescribed intervals. One focus will be on Transitional (Geriatric) Care (Brockton), one focus on Rehab/Acute Care (West Roxbury).

VA Boston Healthcare System provides more traineeships to budding healthcare professionals than any VA in the country great opportunity for inter-professional experience. VABHS is the largest consolidated facility in VISN 1, encompasses **3 main campuses** and our staff consists of 6.0 FTE. The consolidated facility consists of the outpatient specialty Jamaica Plain Campus (Outpatient Voice Clinic, ALS Clinic), located in the heart of Boston's Longwood Medical Community; the tertiary care West Roxbury Campus, located on the Dedham line; and the transitional care Brockton Campus, located 20 miles south of Boston.

Thanks for your interest, time, and consideration.
