

VA Onboarding Points of Contact

Instructions: Use the POC name and email during your registration for your TMS (Talent Management System) online course.

The VA Location being supported is OMA (Omaha). The column for APDS denotes use of the Account Provisioning Deprovisioning Service for WOC trainees that do not receive a stipend. Trainees that receive a stipend will complete onboarding with the VA POC in combination with Human Resources.

If you have any questions any time during the onboarding process, please contact your VA POC.
