

Do You Have Headaches?

Purpose: You may qualify for a research study using innovative therapy aimed at treating post-traumatic headaches.

Basic Inclusion Criteria:

Are you a Veteran and have:

- Sustained a brain injury (TBI/concussion)?
- Developed new or worsening headaches within 3 months after the injury?
- Had the headaches for at least 3 months?

What will be asked of subjects?:

- Your usual headache frequency will be measured.
- You will be asked to complete various assessments that relate to your headaches.
- Your treatment type may vary based on what group you get put into.

Compensation amount and details:

Up to \$553

Compensation will be provided mid-treatment, end of treatment, and post-treatment.
