**Marion VA Health Care System to host Ceremonial  
Groundbreaking event for new Primary Care/Women's Health  
Facility on the Main Marion VA Campus**

Please join the Marion VA Health Care System as we break ground on the new Primary Care/Women's Health Facility at the Marion VA. This new facility will allow for the consolidation of the current Heartland CBOC back onto the main campus. In addition, there will be a second phase to this project that will expand our Women's Health Program.
