Drama Division

Drama Entry vs. Creative Writing Entry - Veterans who wish to have their original work judged by **performance criteria** (stage presence, expressiveness and interpretation) should submit the entry into the **DRAMA** division in one of the categories below that best fits the entry. Veterans who wish to have their **original work** judged by criteria based upon the **merit of the composition** (creative content, message clarity, use of language, and originality of topic or idea) should submit the entry into the **CREATIVE WRITING** division.

Submit Top Three Finalists in Each Category - Facilities may submit the top three finalists in each category. A formal competition is not required at the local level but is strongly encouraged. All eligible Veterans should be given the opportunity to participate regardless of degree of talent.

National Judging and Results - The national judging will occur in October-December via the digital image judging process with results being announced in January. VA Local Staff Contacts at each facility will be notified of the competition results via E-mail and through Microsoft Teams channel: NVCA Competition-Local Staff Contacts. All first-place winners from the national level of the competition will be invited to attend and participate as chorus members in the live stage show performance at the National Veterans Creative Arts Festival.

***Note:** Not all first-place winners will be selected to perform their solo/group entry in the show. Due to time constraints, the Festival show directors will choose approximately 25 dance, drama, and music first-place entries to perform in the show. The remaining first-place attendees will be invited to participate in the Festival chorus.

First-Place National Winning Veterans Invited to the Festival - Veterans invited to the Festival and who accept the invitation to attend must commit to participating fully in the Festival week to the best of their ability. The Festival week is structured with daily workshops, seminars, rehearsals, exhibitions, and the stage show performance. While there are downtimes, attendance and full participation is required at all scheduled events.

Veteran Artists, Writers, Performers who are also VA Employees

VA employees who are eligible to compete and if invited to attend the Festival event, must use annual leave (AL), compensatory time off (CT), sick leave (SL) or disabled veteran leave (DVL) (SL and DVL are only appropriate when the individual's participation is part of their required medical treatment/ordered by their provider), travel CT, or, leave without pay (LWOP). Normal leave approval procedures and rules, as outlined in VA Handbook 5017 and applicable labor agreements, apply.

Tips for Taking Better Video Recordings

Please take a few extra minutes preparing a video correctly to give your Veteran the best chance possible during the judging process and to save hours of time with the judging process for our judges who donate their time.

- **Be sure to check that all videos play with video and audio before submission.**
- **Focus on the performer.** Avoid taping from the back of the room. Stage presence cannot be judged if you cannot clearly see the performer.
- When video recording dance acts, it is necessary to include the whole-body in the entire recording, including the feet.
- **Sound control** is important! Clear audio makes a performance much easier (and enjoyable) to judge. Make sure your sound is good and balanced. Be aware of the accompaniment being too loud. Oftentimes we see/hear the speaker/player is next to the video camera and it is difficult to hear the performer.
- Consider holding your local competition and then video recording **ONLY** the acts that will be sent forward for national judging.
- **Dance, drama, and music entries** will be accepted digitally (MP4, WMV, MOV, Unlisted Youtube link) through the Arts4Vets App.

Drama Division Rules

1. All entries in the dance, drama and music divisions must be recorded after October 1, 2023.
2. Veterans need to communicate (as early as January 2024) with their local VA facility to find out their local competition deadline date.
3. Veterans may submit entries in up to three solo categories and three group categories in the dance, drama and music divisions, however they may only submit/be a part of one entry per category. Each entry must be different. The same entry cannot be submitted into two categories within a division.
4. **Veterans may only submit one entry per category.** A Veteran may not have more than one entry in a category moving forward to the national level of the competition.
5. Veterans who have received a gold medal in the same category from any of the 5 divisions (art, creative writing, dance, drama, and music) for two consecutive years must enter a different category the third year. Failure to comply with this rule will result in the entry being disqualified.

6. References to diagnosis and explanations of emotional or personal content related to the Veteran will not be read or communicated to the national judges. The exception to this rule is an entry submitted into a category that requires a write-up.
7. Suggested length of performance - no longer than three minutes.
8. Entries that contain a combination of the creative arts (to include visual arts, design, film, literature, dance, dramatic and musical performance) should be entered into the Mixed Arts category in the Drama division – see Category #13.
9. Judges reserve the right to move an entry to the appropriate category or disqualify the entry if rules are not followed.
10. The **addition of staff, volunteer(s), and/or Veterans who are not eligible Veterans to any entry will result in disqualification.** However, if a drama entry requires a female character and no eligible female Veterans are available, the part may be read by a female volunteer or staff member. *Although the National Veterans Creative Arts Program recognizes the therapeutic value of participation of staff, volunteers, and ineligible Veterans in groups, it is essential in keeping with the fairness of the competition that **only eligible Veterans** are competing against each other.*
11. All Veterans must contribute significantly to the presentation in a dramatic way and be seen on the video for an entry to be submitted into a group category.
12. Veterans who are invited to the Festival and accept the invitation to attend must commit to participating fully in the Festival week to the best of their ability. The Festival week is structured with daily workshops, seminars, rehearsals, exhibitions, and the stage show performance. While there are downtimes, attendance and full participation is required at all scheduled events.
