Please fill out and attach Availability Calander below. Check any program date where you will not be available the full day from 8:30am-2:30pm. We do not have options for weekend program volunteering or volunteering after 2:30pm. The Summer Youth Program operates on a set schedule that unfortunately does not fit the availability of all applicants. While availability is considered when selecting applicants needing days off from the program is not an immediate disqualifying factor unless multiple weeks will be missed. Please do not hesitate to apply just because there are days you need off for other activities or a family vacation.
