

What Are Your Thoughts About Your Future Health Care?

Advance Care Planning Class:

Sometimes we learn best when we learn from each other.

Advance Care Planning Class offers:

- A place for you to share, learn, and help fellow Veterans understand the benefits of planning for future health care decisions.
- How you can plan for health care situations when you may not be able to speak for yourself.
- Help you understand how to complete an advance directive that matches your preferences.

Who Can Attend:

- Open to Veterans enrolled in VA Health Care and their interested loved one.
