HELENA, Mont. — The Montana VA Health Care System is expanding healthcare services at the [Butte VA Clinic](#) and the [Travis W. Atkins VA Clinic](#) in Bozeman.

These services include the addition of Physical Therapy and Audiology at both locations.

“We are excited to announce that we are now able to give our Veterans new, expanded services at their local facilities,” said the Montana VA Executive Director Duane Gill. “Our goal is to help provide Veterans with the care they need, closer to home.”

At the [Butte VA Clinic](#) and [Travis W. Atkins VA Clinic](#), Audiology services began in mid-August with Physical Therapy services beginning last week.

Veterans with questions about scheduling an appointment for Audiology and Physical Therapy at either the Butte or Bozeman VA Clinic should call 406-447-6769.

Montana VA serves over 49,000 enrolled Veterans across Montana—an area roughly 147,000 square miles in size. Veterans are cared for by a staff of 1,400 at 18 sites of care across the state. One third of Montana VA employees are Veterans.
