

# VA Augusta Helene Response Update

3 p.m., Sunday, Sep. 29, 2024

- VA Augusta's two Medical Center campuses in Augusta will have **limited primary care and outpatient services beginning Monday, Sep. 30**, until further notice (we will reassess services and staffing each day and provide updates to our Veterans patients).
- Veteran primary care and outpatient appointments scheduled for Monday at the Augusta campuses have been canceled, and our team is contacting Veterans to reschedule those appointments. Walk-in appointments will be available Monday, but emergency care should be directed to the Emergency Department at our downtown Augusta campus at 950 15<sup>th</sup> Street.
- In addition, VA Augusta's **outpatient clinics in Athens, Aiken, and Statesboro will be fully operational on Monday** and those appointments remain on schedule.
- As a reminder, if you are traveling, please be sure to treat intersections without functional stoplights as a four-way stop and keep your speed at a minimum.
